July has come to a prosperous passing for the League, and we are looking ahead to August. The bands are in place for the month and good weather has been requisitioned.

Our Bash this year reminded me of the previous year crappy weather, but we managed to come through it okay. I would like to extend my deepest thank you to the Associate members who cooked and donated dishes and there time to make it go smoothly. I would also like to thank the Marines, and the wives of the Marines that could come down help make it go well. Most of all once again a big "OOORAH" to Paul Manna who coordinated and made sure the Bash went without a hitch.

As the month comes to its end we will be saying goodbye to our Bar Manager Paul Manna. He is handing the position over to a new manager as of August 1st. He is handing over the reins and is looking forward to a well-deserved retirement. A couple of weeks R and R at the Cape should do it, and get those projects that have been stacked up at home tackled at his leisure. He will be coming down to the League occasionally to check how the new boot is doing, and give some advice as needed. Saturday July 30th Paul's daughters gave him a Retirement Party at the League with many of his friends, Marines, Associates attending this joyful but bitter sweet gathering.

We are happy to announce that starting August 1st Arianna Saarinen will be the new Bar Manager. Arianna has extensive experience in the bar food industry, and will bring the League forward in growth and prosperity. We the Marines, Associates, and the

employees welcome you to our family and will support you in any way we can.

Our Golf Tournament is on track and is being received by mostly everyone we have approached for support. The August 12th play date is very close and we're still filling player spots. We need help with the play day, entry recorders, late entry foursome setups, raffle and 50-50 solicitors. Also recorders for final foursome scores. Coffee and servers for pre-play. As stated in our newspaper ad and on line, on our "Hole in One" challenge on the designated hole, a vehicle will be the prize.

Marine Members

Monthly Meeting...Monday August 15th at 1900, Lt Powers Hall.

“I’m The Guy”

I’m the guy who was asked to join your organization,

I’m the guy who paid his dues to you,

I’m the guy who came to your meetings and no one paid any attention to,

I’m the guy who tried several times to be a friend, but they all had their own buddies to talk to and sit next to,

I’m the guy who came several times, but no one paid any attention to me, I’m the guy who was left out when I volunteered to help with fund raising projects and membership recruitments,

I’m the guy who missed a few meetings because I was sick, but at the next meeting no one asked where I had been. I guess it didn’t matter very much to others whether I was there or not,

I’m the guy who decided to stay home and watch TV one meeting night. The following meeting I attended, but no one asked where I had been,

You might say I’m a good guy. A food family man who holds a responsible job, loves his country and his community,

You know who else I am? THE GUY WHO NEVER CAME BACK!!!!!!!

It amused me to think that they spend so much time looking for NEW members when I was there all the time,

All they needed to do was to make me feel needed, wanted and welcome.
