Your Commandants Message

The past few weeks were quite busy, the Honor Guard had a couple of requests from fallen Marine families. They also participated in the WW II Memorial Dedication and Parade for the City of Worcester.

I would like to take the time and thank all our Marines for their Esprit de corps from the Worcester detachment and the 911 detachment for the combined Color and Honor Guard effort for the WW II ceremony.

June was profitable for both the League and the wall fund due to the weekend bands that brought in a lot of people. If you haven't looked up at the front of the building lately, Marine Thomas Beder has fixed the Stars and Stripes flag up on the roof. Thanks Tom !

July is now upon us and the Bash is the number one fund raiser. I will be looking for a good team effort as it has been in the previous events.

Volunteers need to be at the League Saturday by 10:30

Marine Phil Ford has sent out all the info for the Golf Tournament for the August 12th date, and we are hoping that we will get a good turnout. In parting, the E-Board and myself would like to extend a safe and Happy 4th of July weekend to all our Marines, associates, and employees.

Extensive public-private VA health care system proposed in final report

A detailed proposal on the future of Veterans Affairs health care calls for creating a nationwide system of public and private health networks to care for veterans and closing poor or underutilized VA facilities.

After a nearly two-year review, the Commission on Care on Tuesday sent the White House a nearly 300-page assessment of the current VA health care system with 18 recommendations to improve quality and access to care as well as modernizing some VA hospitals and clinics.
